# Poetry in the Snow

Read the passage. Circle each S that you see.

I'm a little snowman short and round.  
Here is my scarf and here is my hat.

I'm a little snowman short and round.  
Here is my nose and here are my eyes.

I'm a little snowman short and round.  
When I see the snow fall,  
Hear me say,  
All of the kids come out to play!

How many S's did you find? \_\_\_\_\_
