Activity or Craft

Materials:

Acorns
Wool/Yarn
Glue gun
Permanent markers
Mini pom poms

How to make:

Santa and Elf Acorn Craft

Using a glue gun attach a mini pom pom to the stem of the acorn.

Hold the wool so that 1 cm hangs down the edge of the stem.

Now twist the wool around the stem starting just under the pom pom, moving down the stem.

Keep weaving the wool around, covering the 1 cm of wool as you go. Cut the wool when you get one third of the way down the gumnut and secure it with glue.

Cut some white wool and glue on the white edging of the Santa hat (see below).

To add a beard to Santa, secure the wool to the base of the gumnut with glue and wrap the wool up.

Secure it the other edge with glue to finish the beard.

Santa's eyebrows are bit of wool, cut to a length of 1 cm, glued on his face.

Lastly, draw on your happy face!
