# What Does a Police Officer Wear?

Police officers help people stay safe and make sure they follow the rules. It is important to know what police officers look like so they can help you.

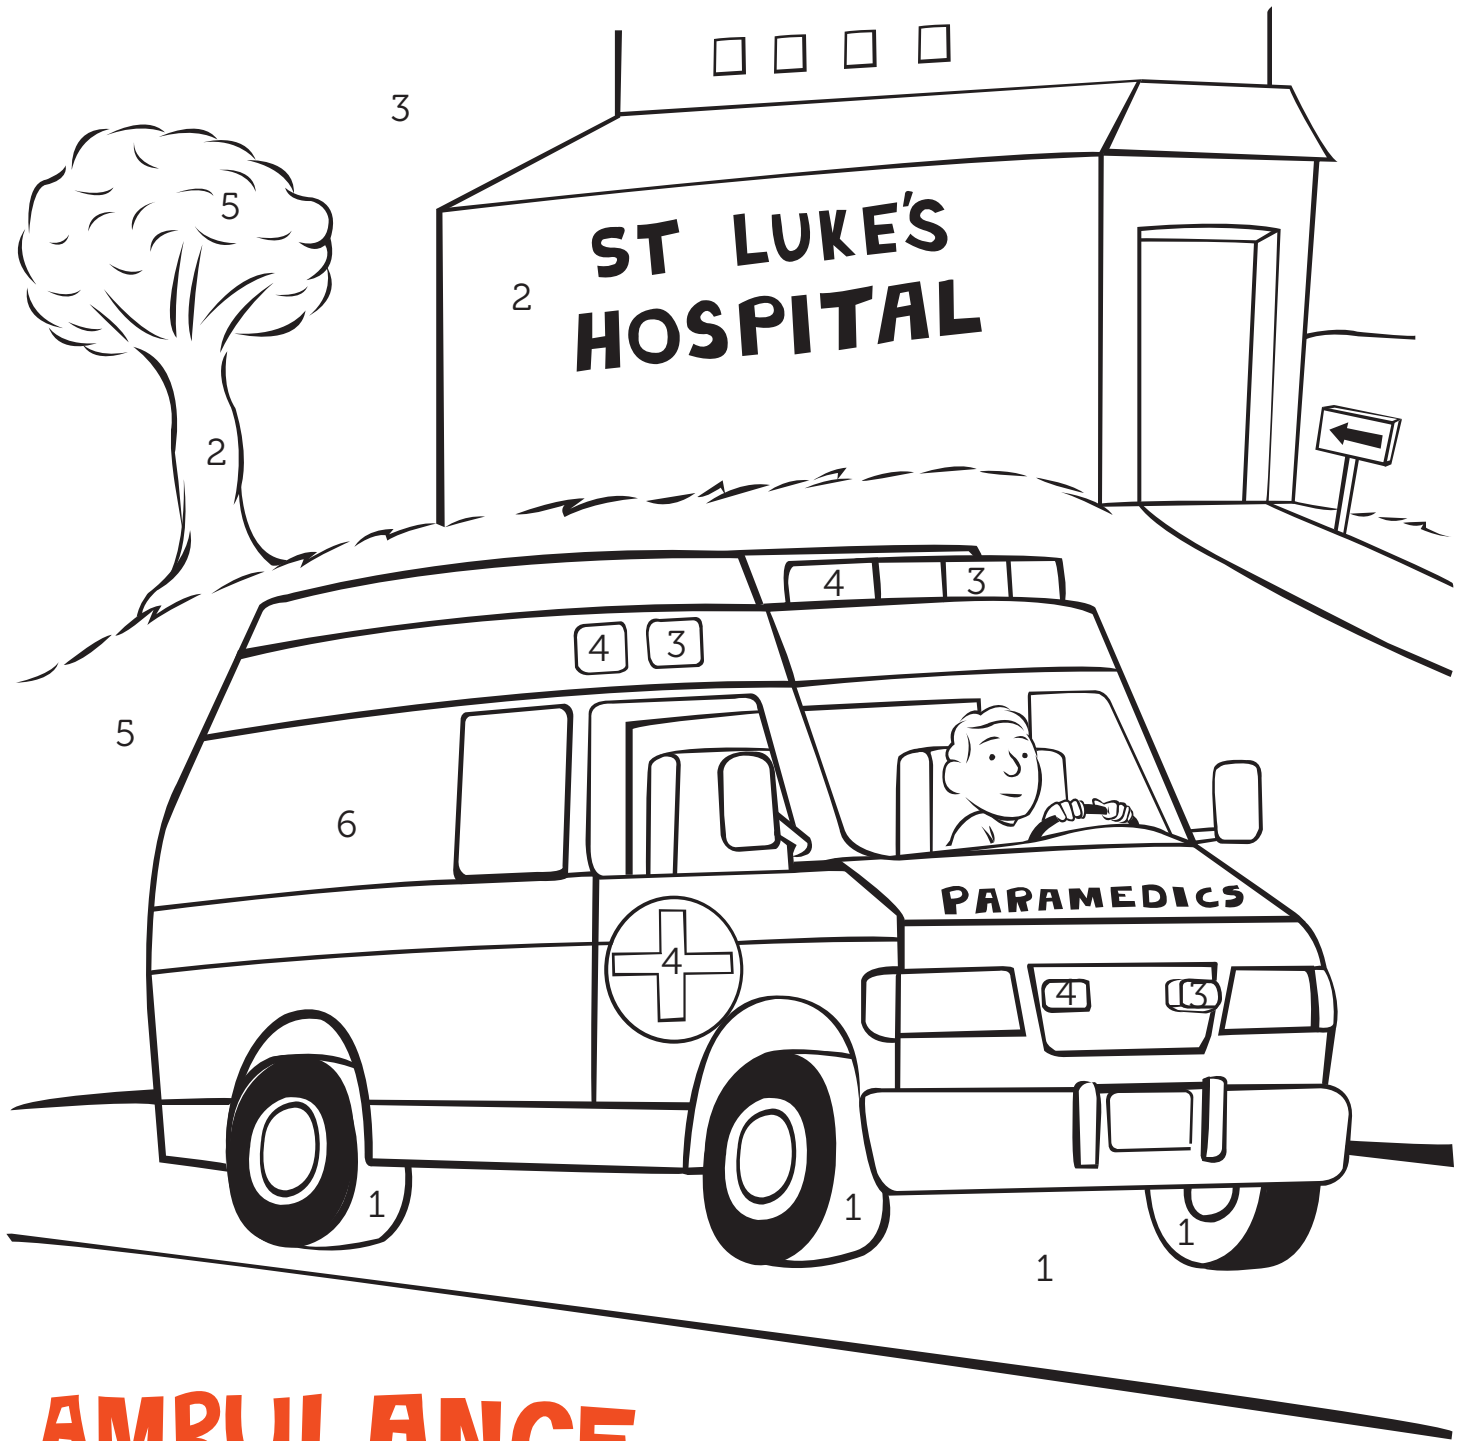

Kevin is a rookie officer that is in some trouble. He's forgotten to pick up the police department's uniforms from the cleaners. Help Kevin by circling the clothing and items that a police officer would wear.

# STOP THE FIRES

Firefighters stop fires and save people from them. Help the firefighters stop the fires and find their way back to the firehouse.

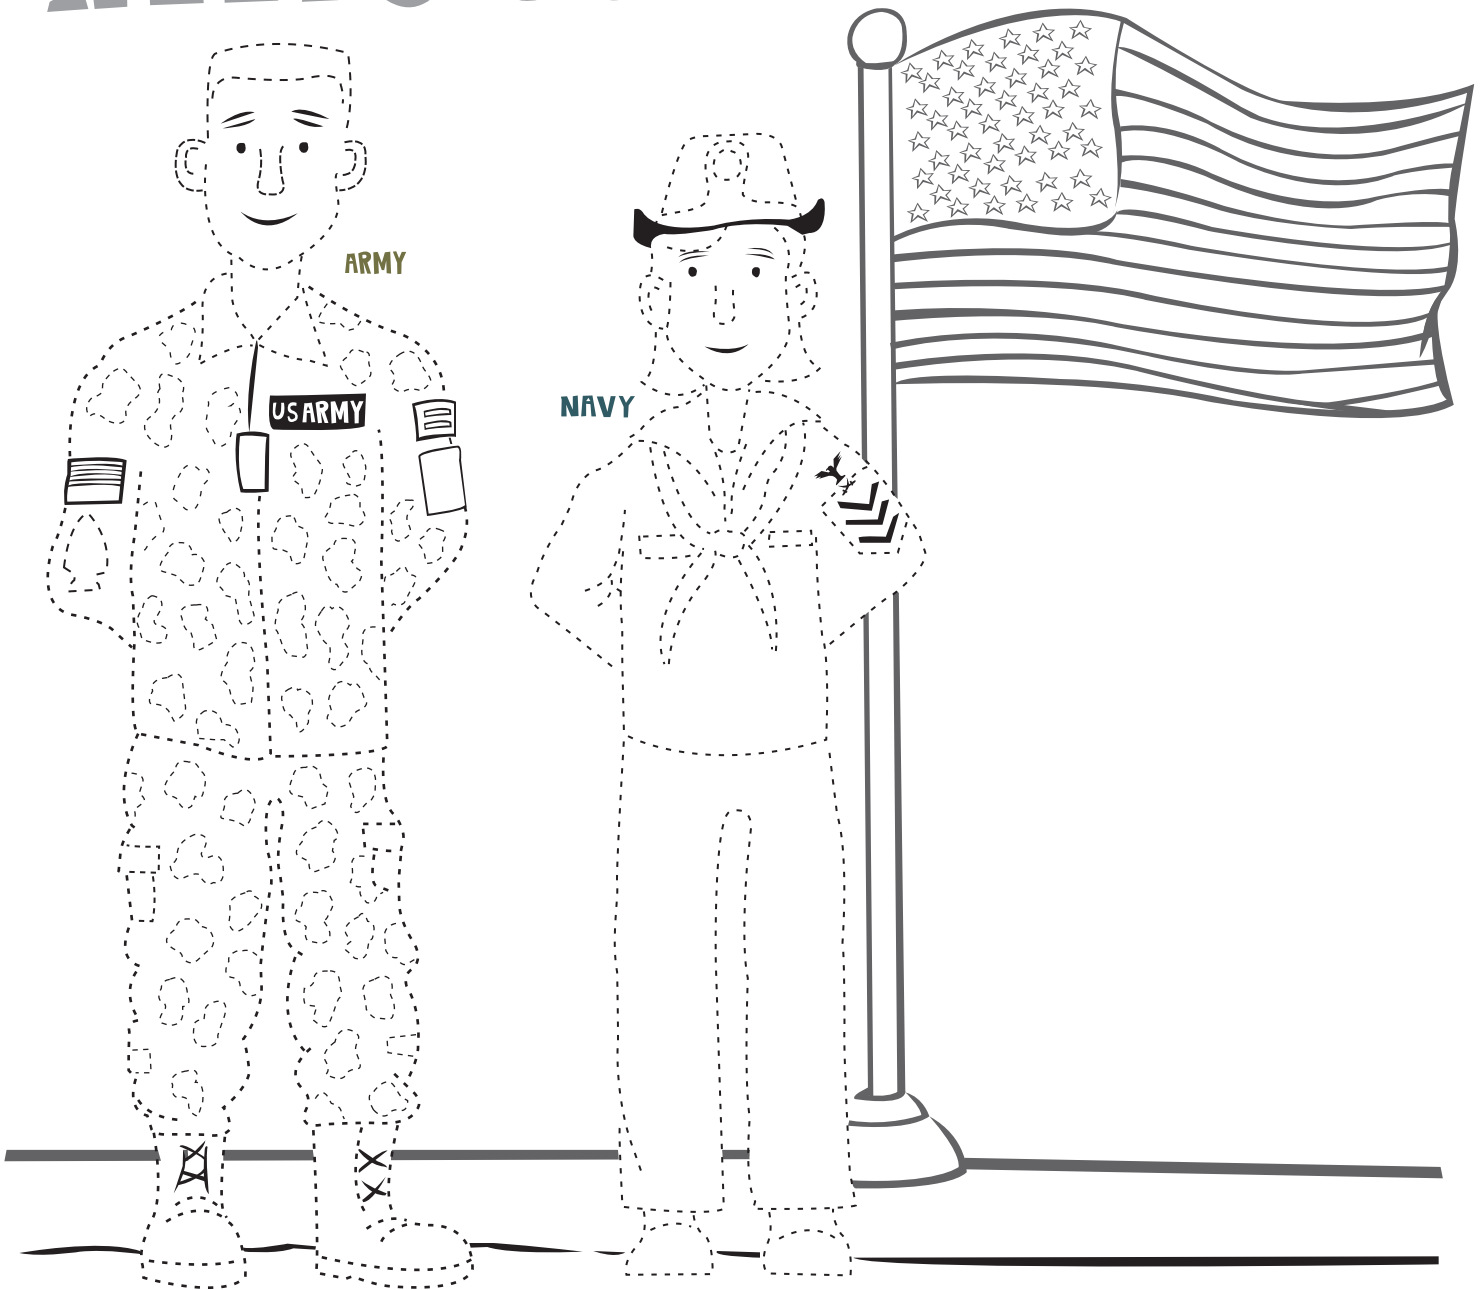

# AMBULANCE COLOR BY NUMBER

If someone is hurt or sick and needs to go to the hospital very fast, the ambulance driver will take them there. Help the ambulance get to the hospital by coloring the number that matches the color.

- |   |       |   |       |
|---|-------|---|-------|
| 1 | Black | 4 | Red   |
| 2 | Brown | 5 | Green |
| 3 | Blue  | 6 | White |

# THE MILITARY KEEPS US SAFE

The military protects us at home and all over the world. The people in the military are very brave men and women. Trace the members of the military and color them in. Remember to color the American flag.

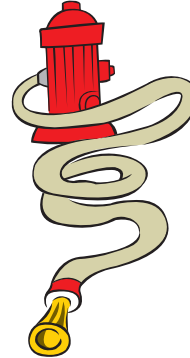

# MATCHING TIME

Draw a line to match who would use each object for their job.

Police

Fire Hydrant

Ambulance Driver

Boots

Firefighter

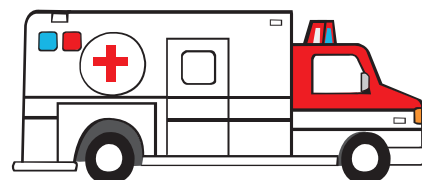

Police Badge

Military

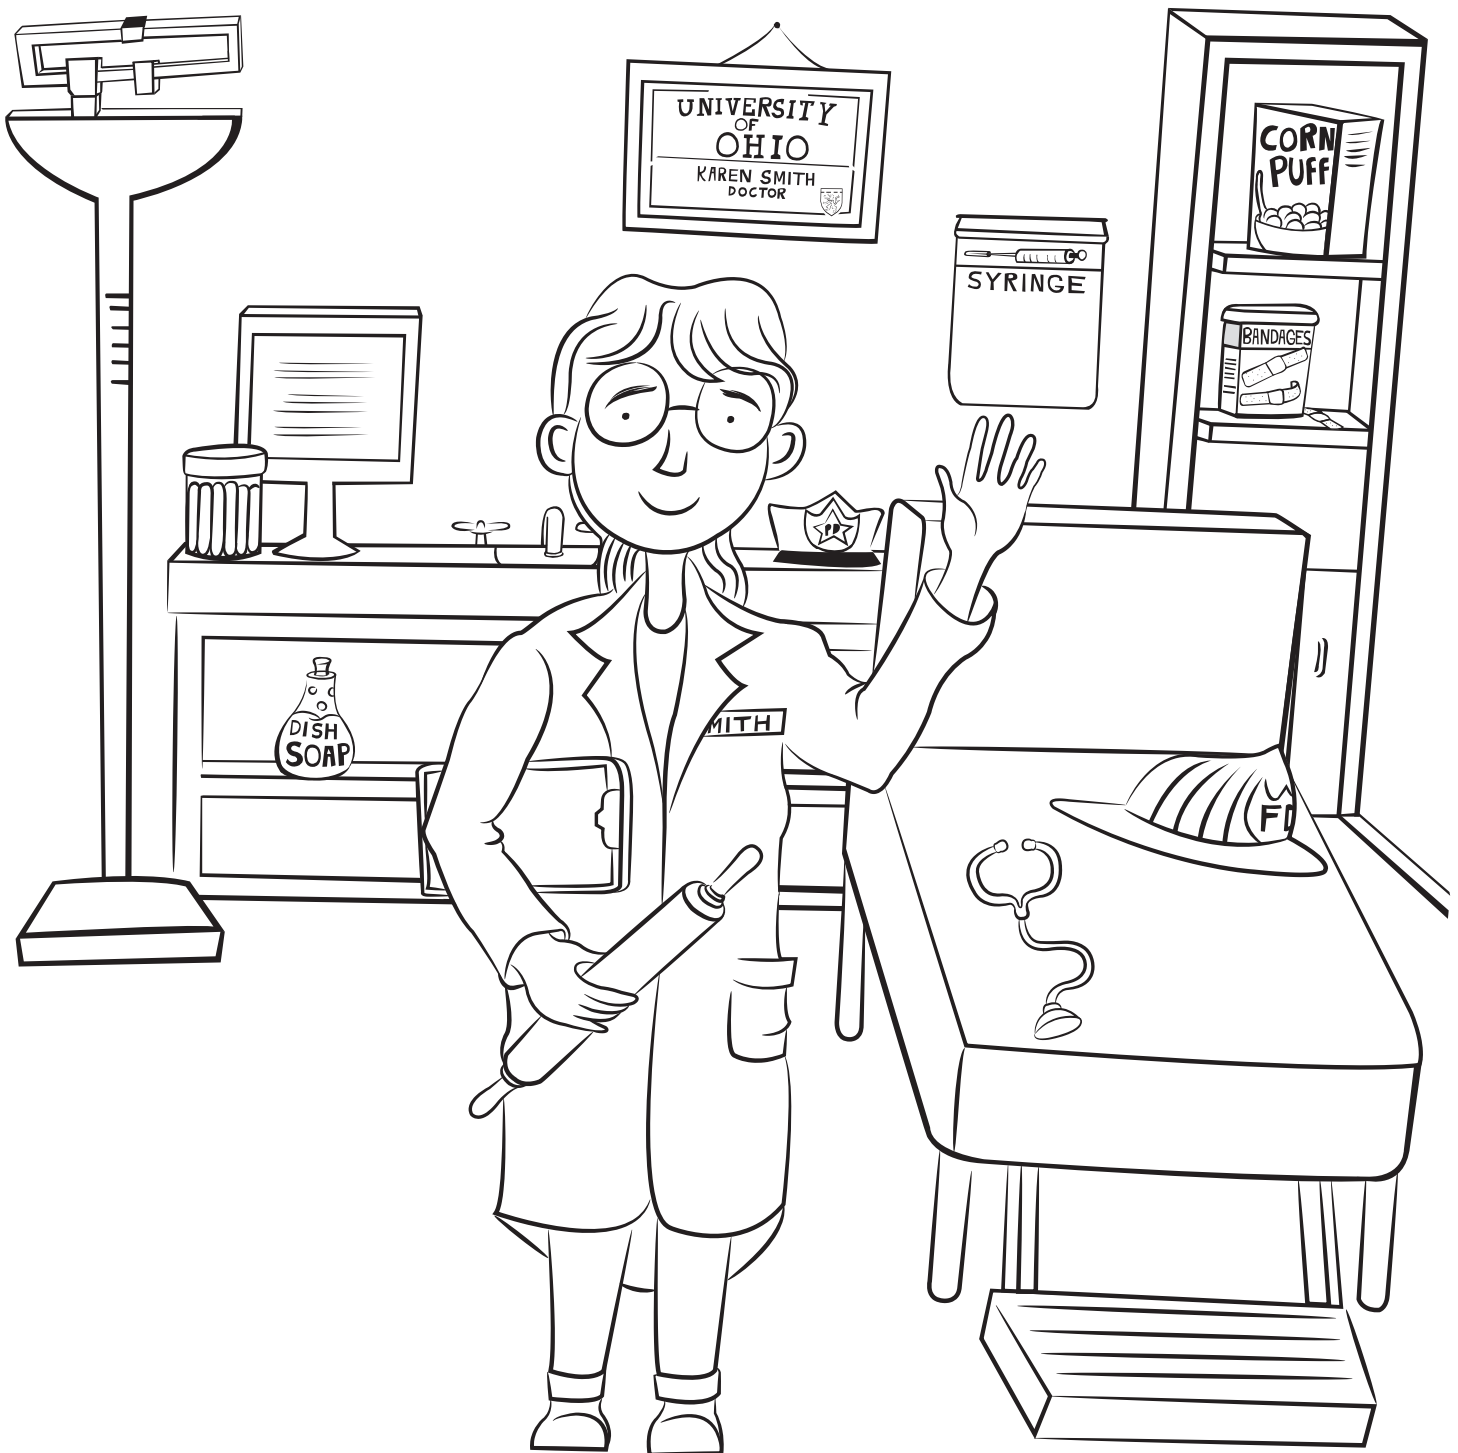

Ambulance

# What Does a Doctor Need?

Doctors help you stay healthy and strong. It is important to always get your check-ups and listen to what the doctor says. If you are sick, doctors can help you feel better. Circle what you may see at a doctor's office. Put a check mark next to the items that do not belong.

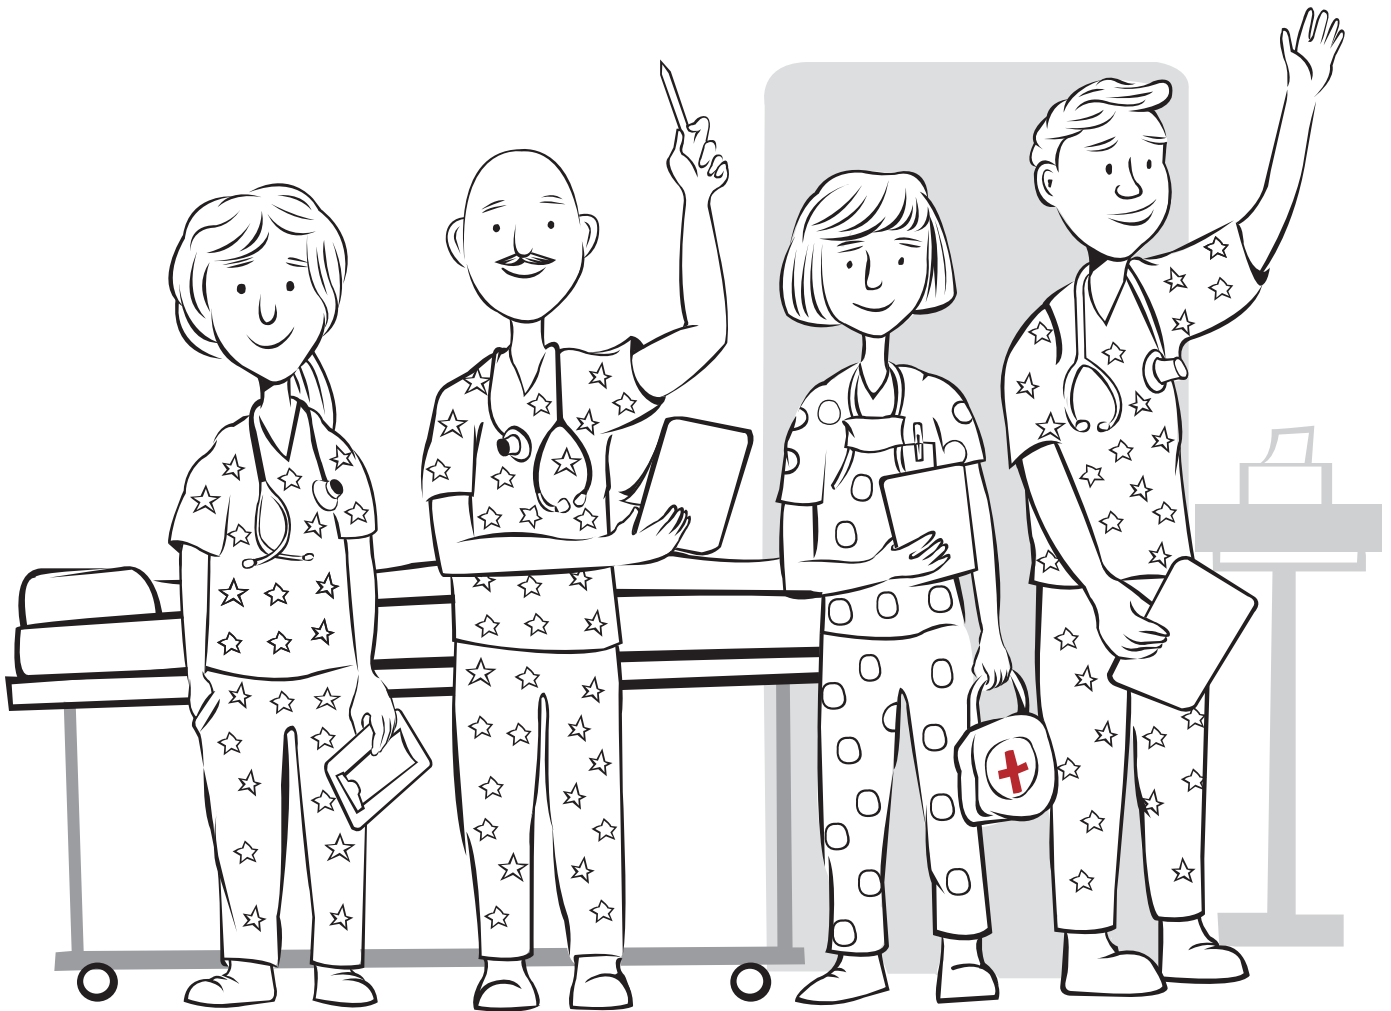

Bonus Activity: Color in the drawing with your favorite colors.

# HELP FIND The Nurse

A nurse helps the doctor to keep you strong and healthy. The nurse will help you when you are sick or getting a check-up. These nurses are ready for work. Circle the one that is different from the others. Then color them all in.

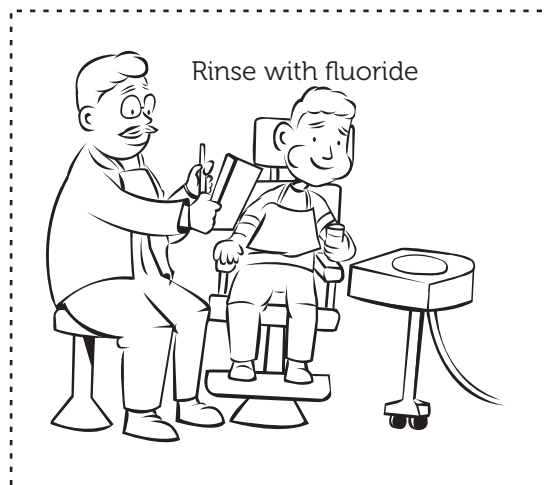

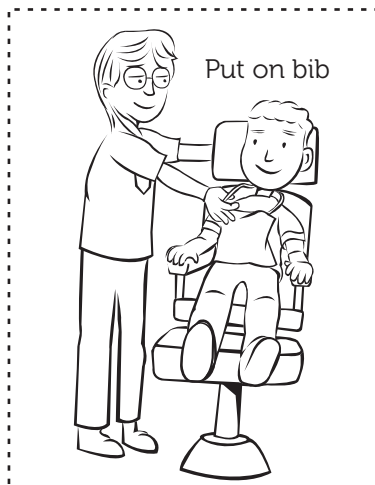

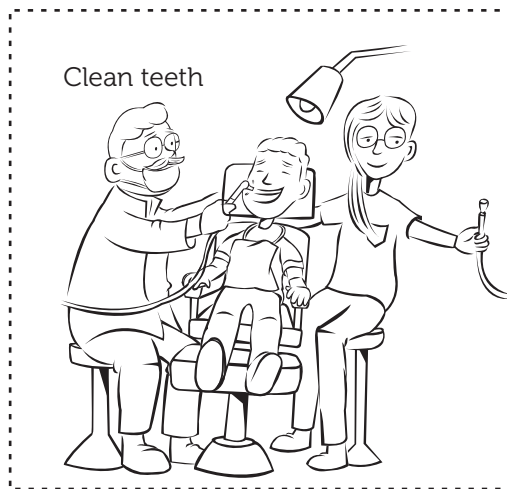

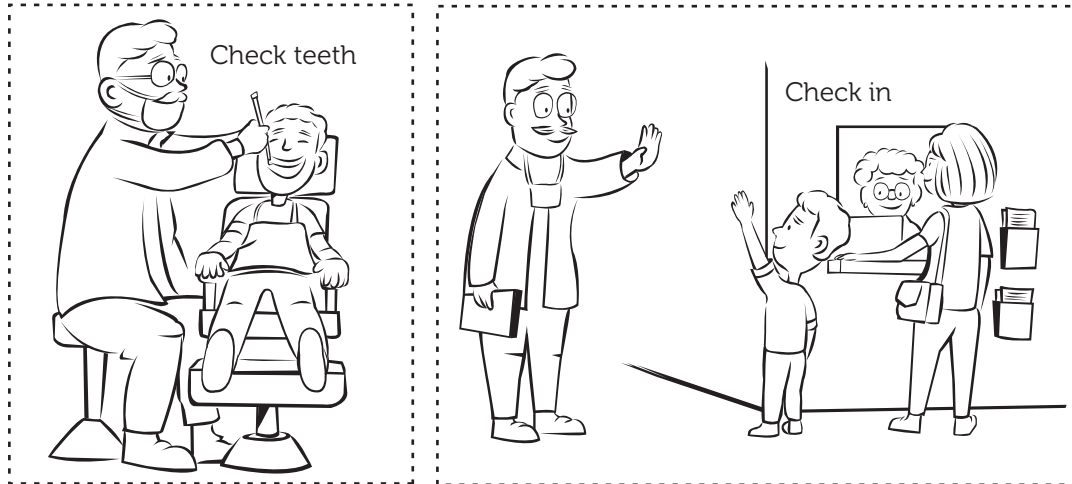

# DENTIST STORYBOARD

Dentists help everyone keep their teeth healthy and strong. It is important to brush your teeth at least two times a day and use floss.

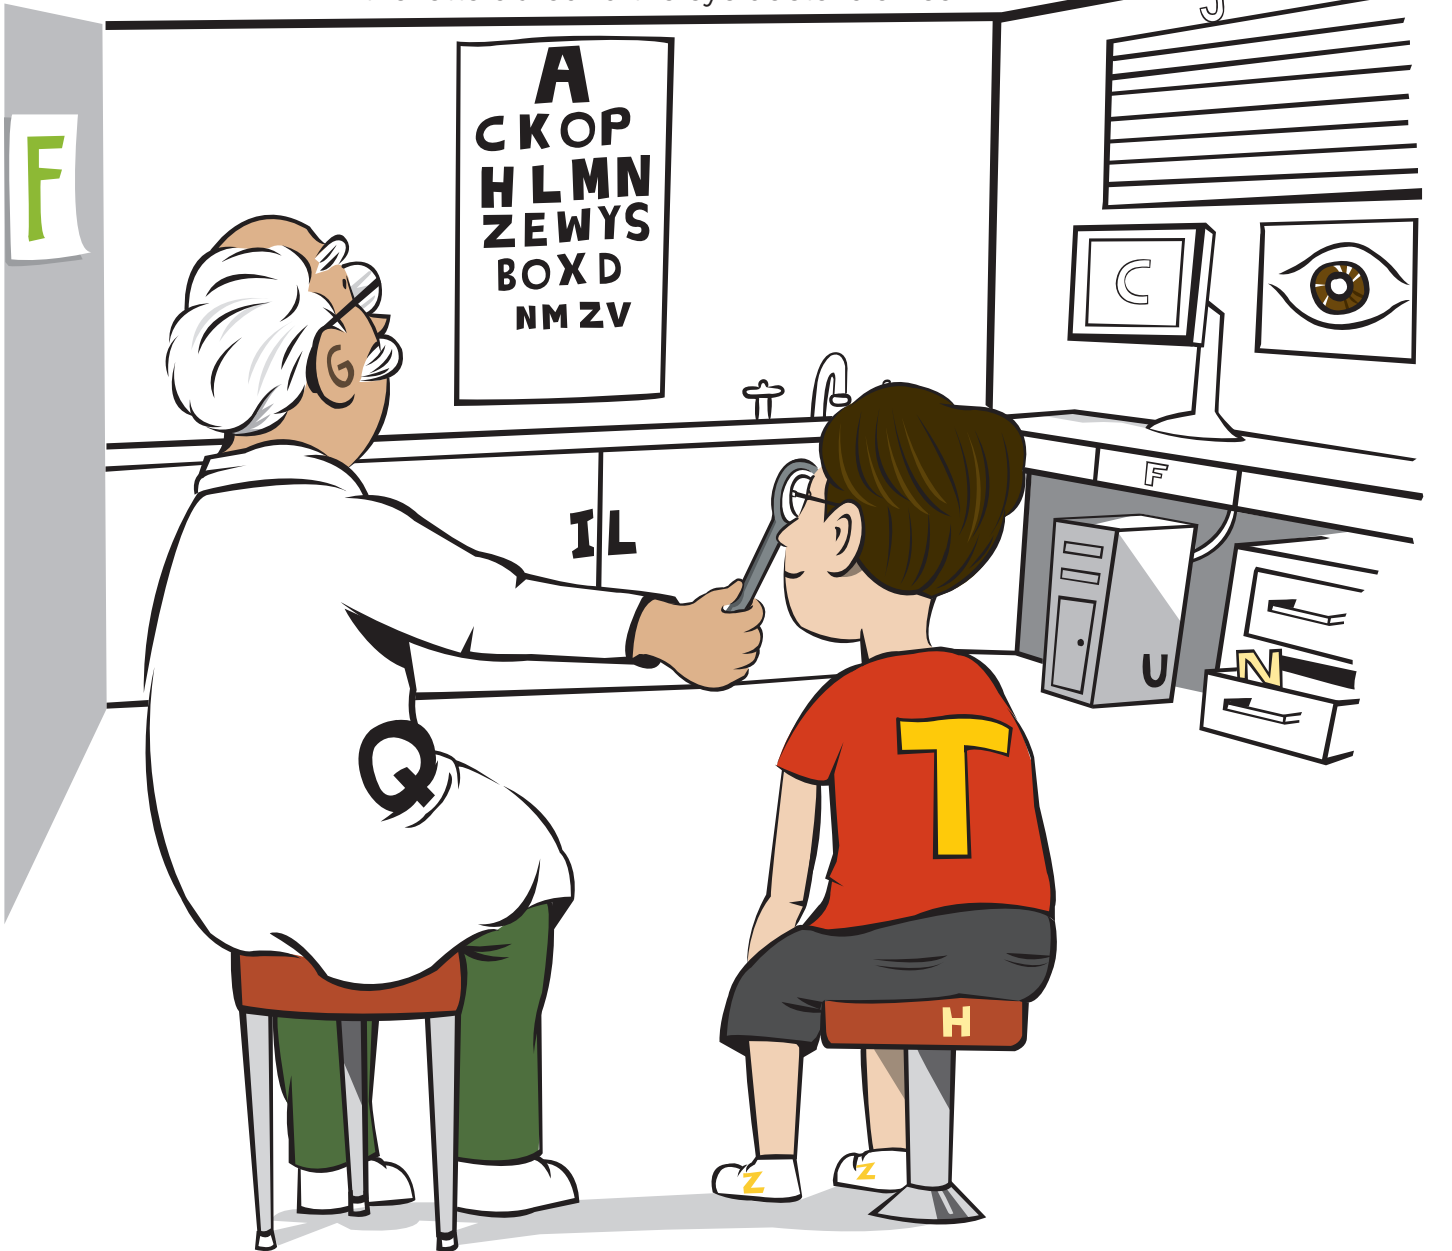

When was **your** last checkup? Test your memory by cutting out the drawings and placing them in the correct order.

Bonus Activity: Color in the drawings with your favorite colors.

# WHERE ARE THE LETTERS?

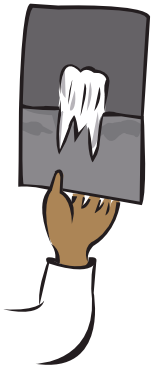

Sometimes children need to have their eyes checked, and some may even get glasses! There is a special doctor who helps children see what glasses they need. Look at the chart and write all of the letters you see. Then circle the letters around the eye doctor's office.

Handwriting practice lines consisting of four sets of horizontal lines. Each set includes a solid top line, a dashed middle line, and a solid bottom line.

# WHO AM I?

Do you remember what jobs people have? Circle the correct person matching the description.

"I help keep your teeth clean." Who am I?

"I help the doctor during your check up." Who am I?

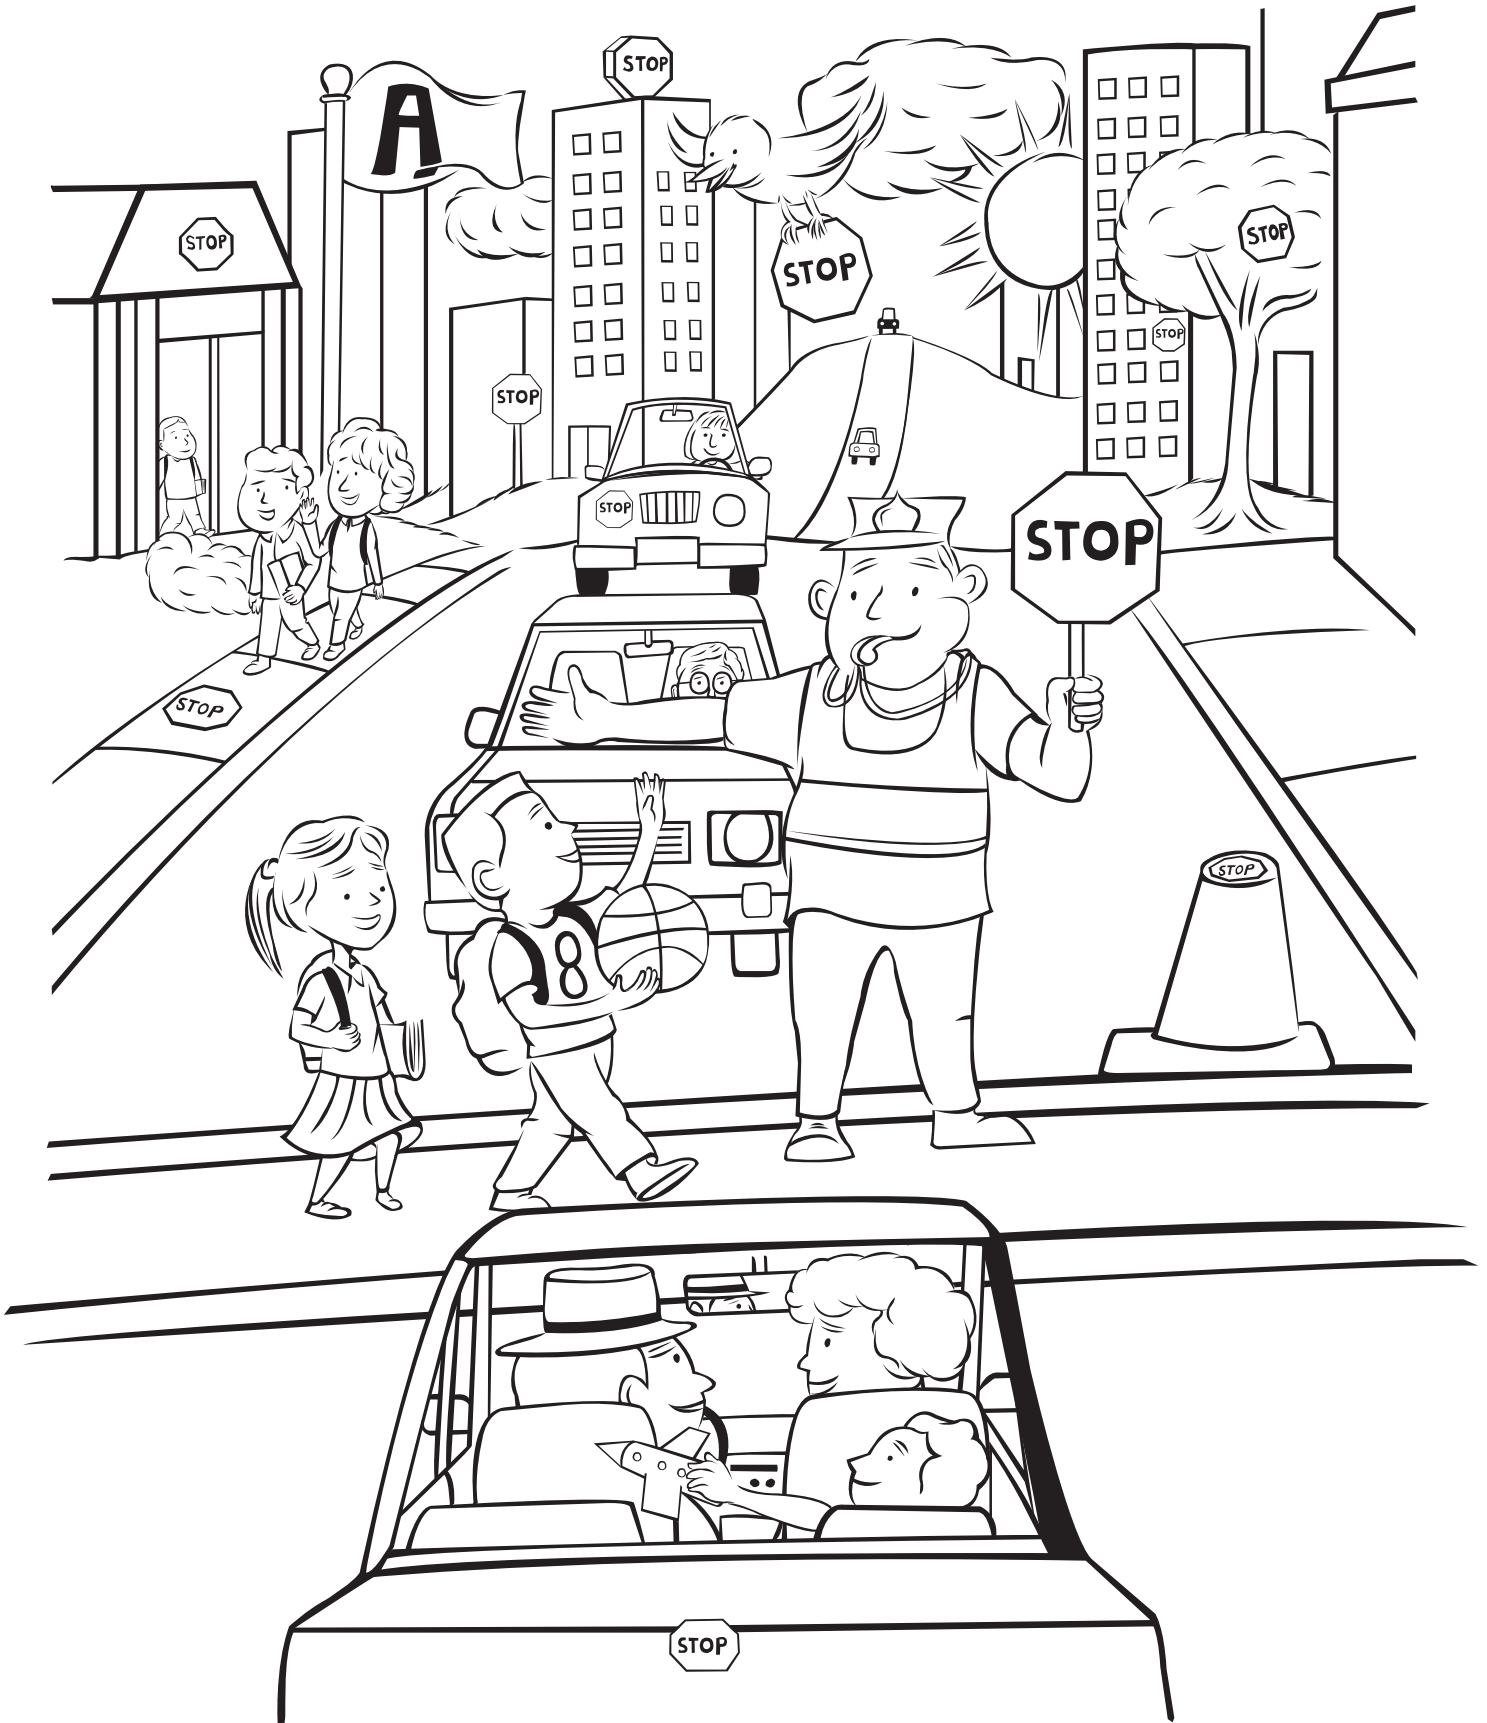

"I check your eyes." Who am I?

"I help people who are sick." Who am I?

# FIND THE STOP SIGNS

Crossing guards help you cross the street safely. They carry a stop sign to tell the cars to stop so you can walk across the street. Find all of the stop signs in the picture and color them red.

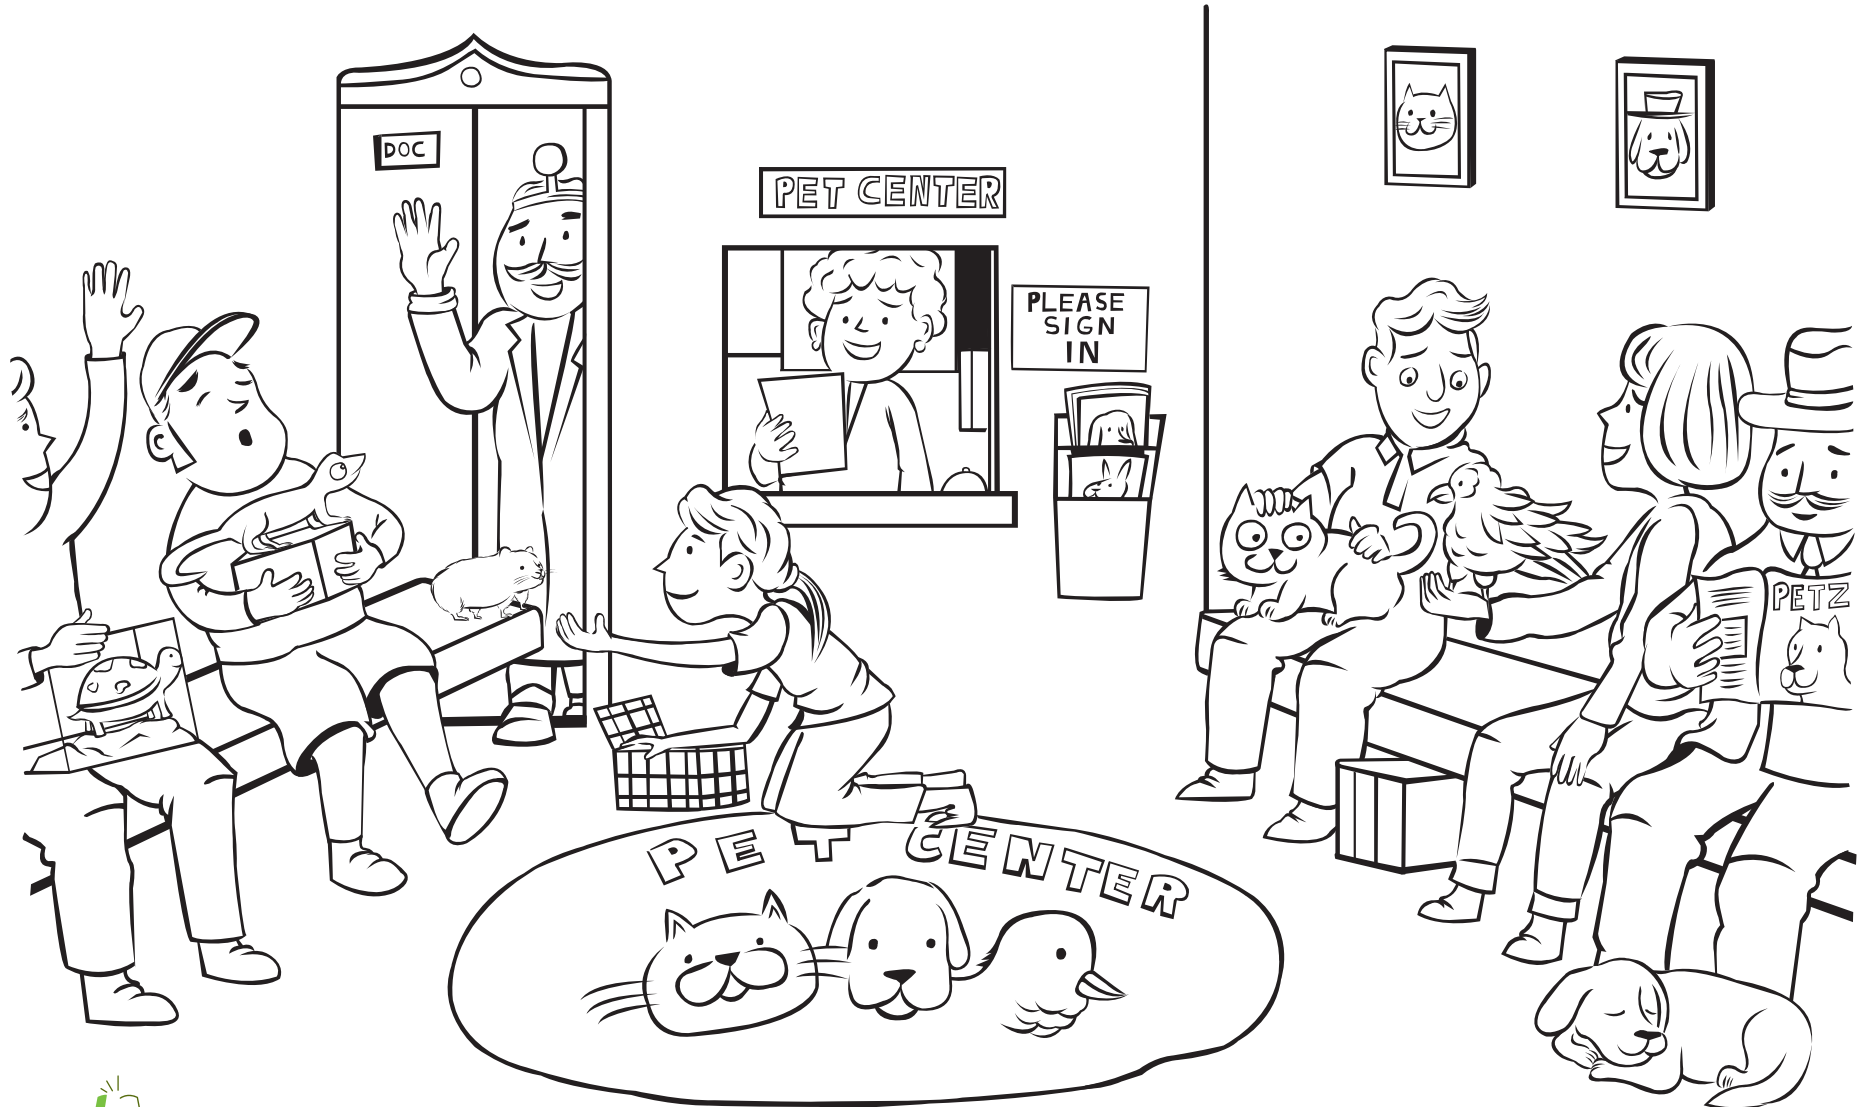

# HELP THE VET

## FIND PATIENTS

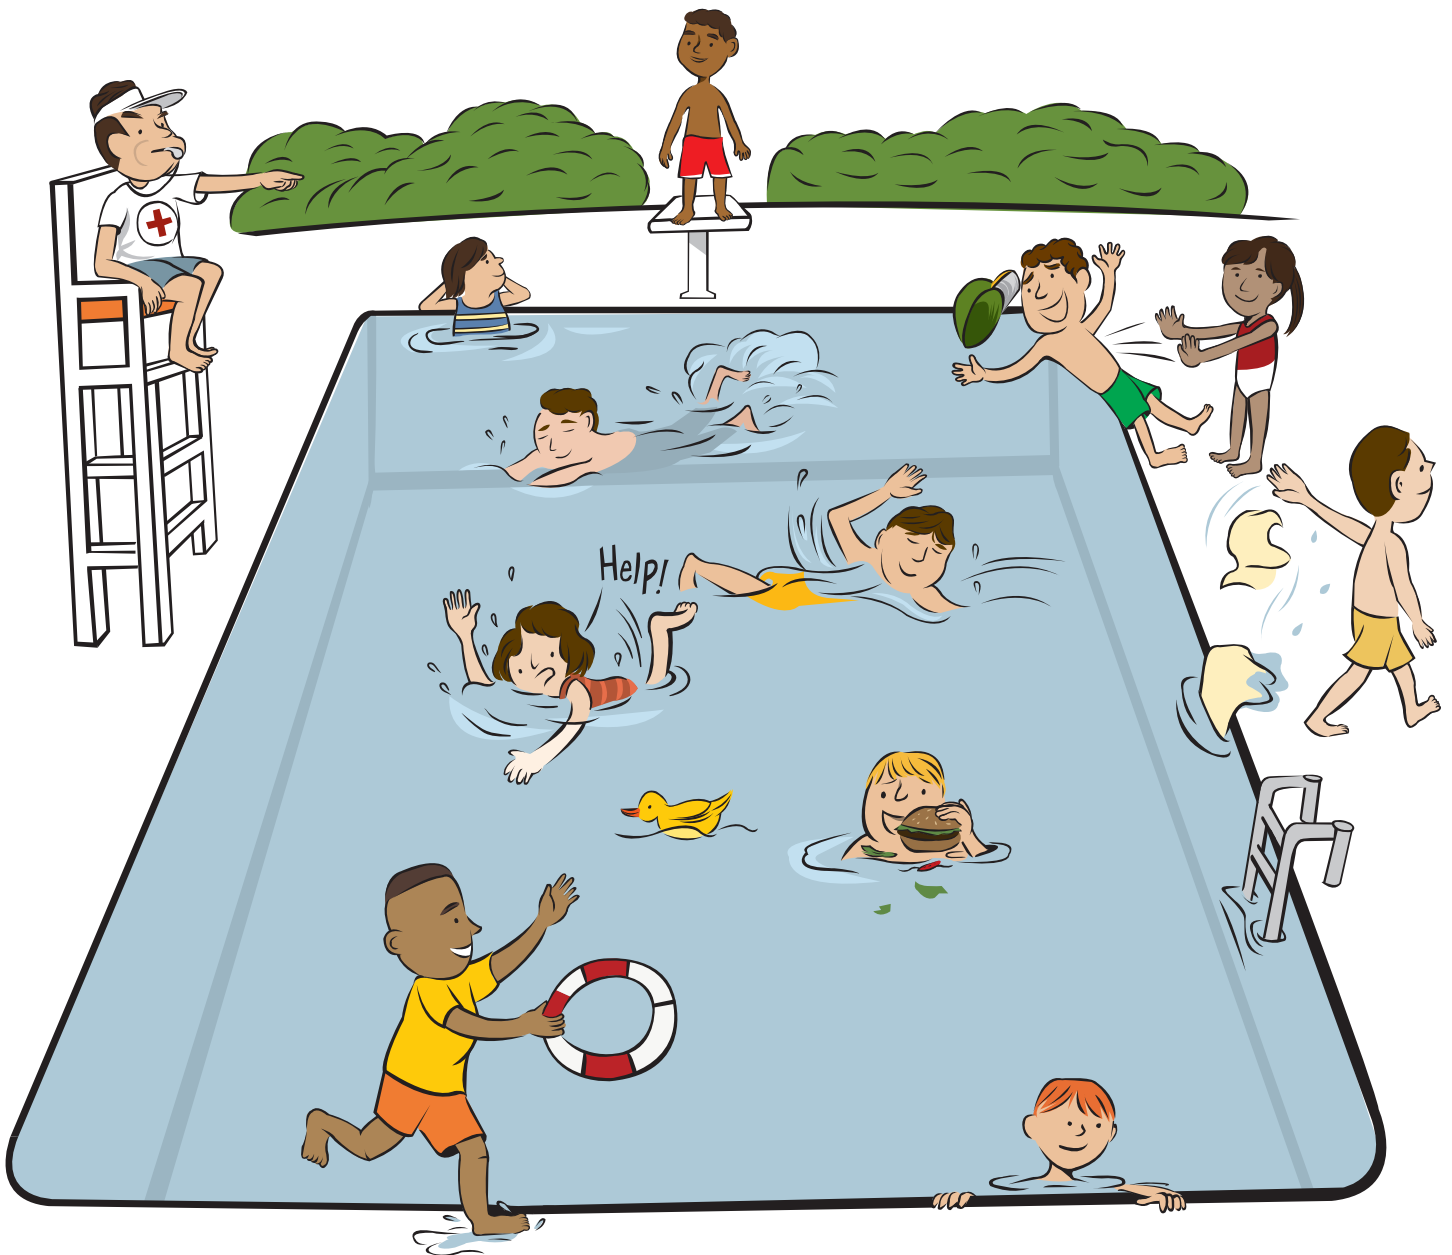

Veterinarians are doctors for animals. When your pet gets sick, the veterinarian will help them get better.

How many animals can you find in the picture below?  
Color all of the animals a veterinarian might help.

# FOLLOW RULES BY THE POOL

When you are swimming at a pool or the beach, lifeguards help keep you safe. It is important to listen to what they say. Help Sam the lifeguard stop the children who are not being safe at the pool by circling them.

# PARK RANGER FIND THE DIFFERENCES

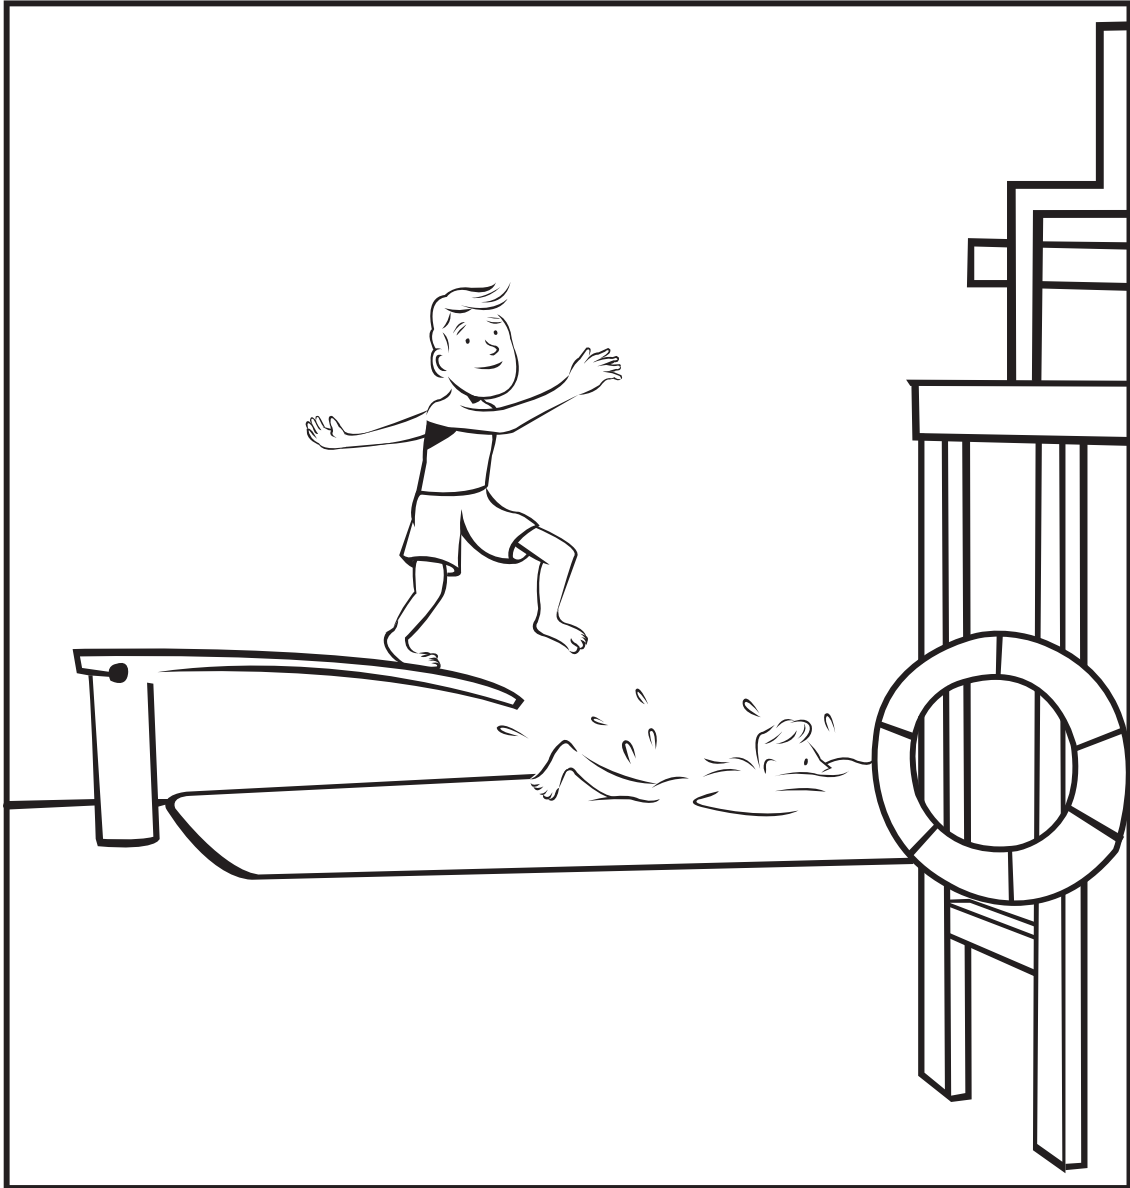

A park ranger makes sure the park is safe to play in. In the first picture, some children are not taking care of the park or following the rules. In the second picture, the children are being safe. Look at the two pictures and circle what is different.

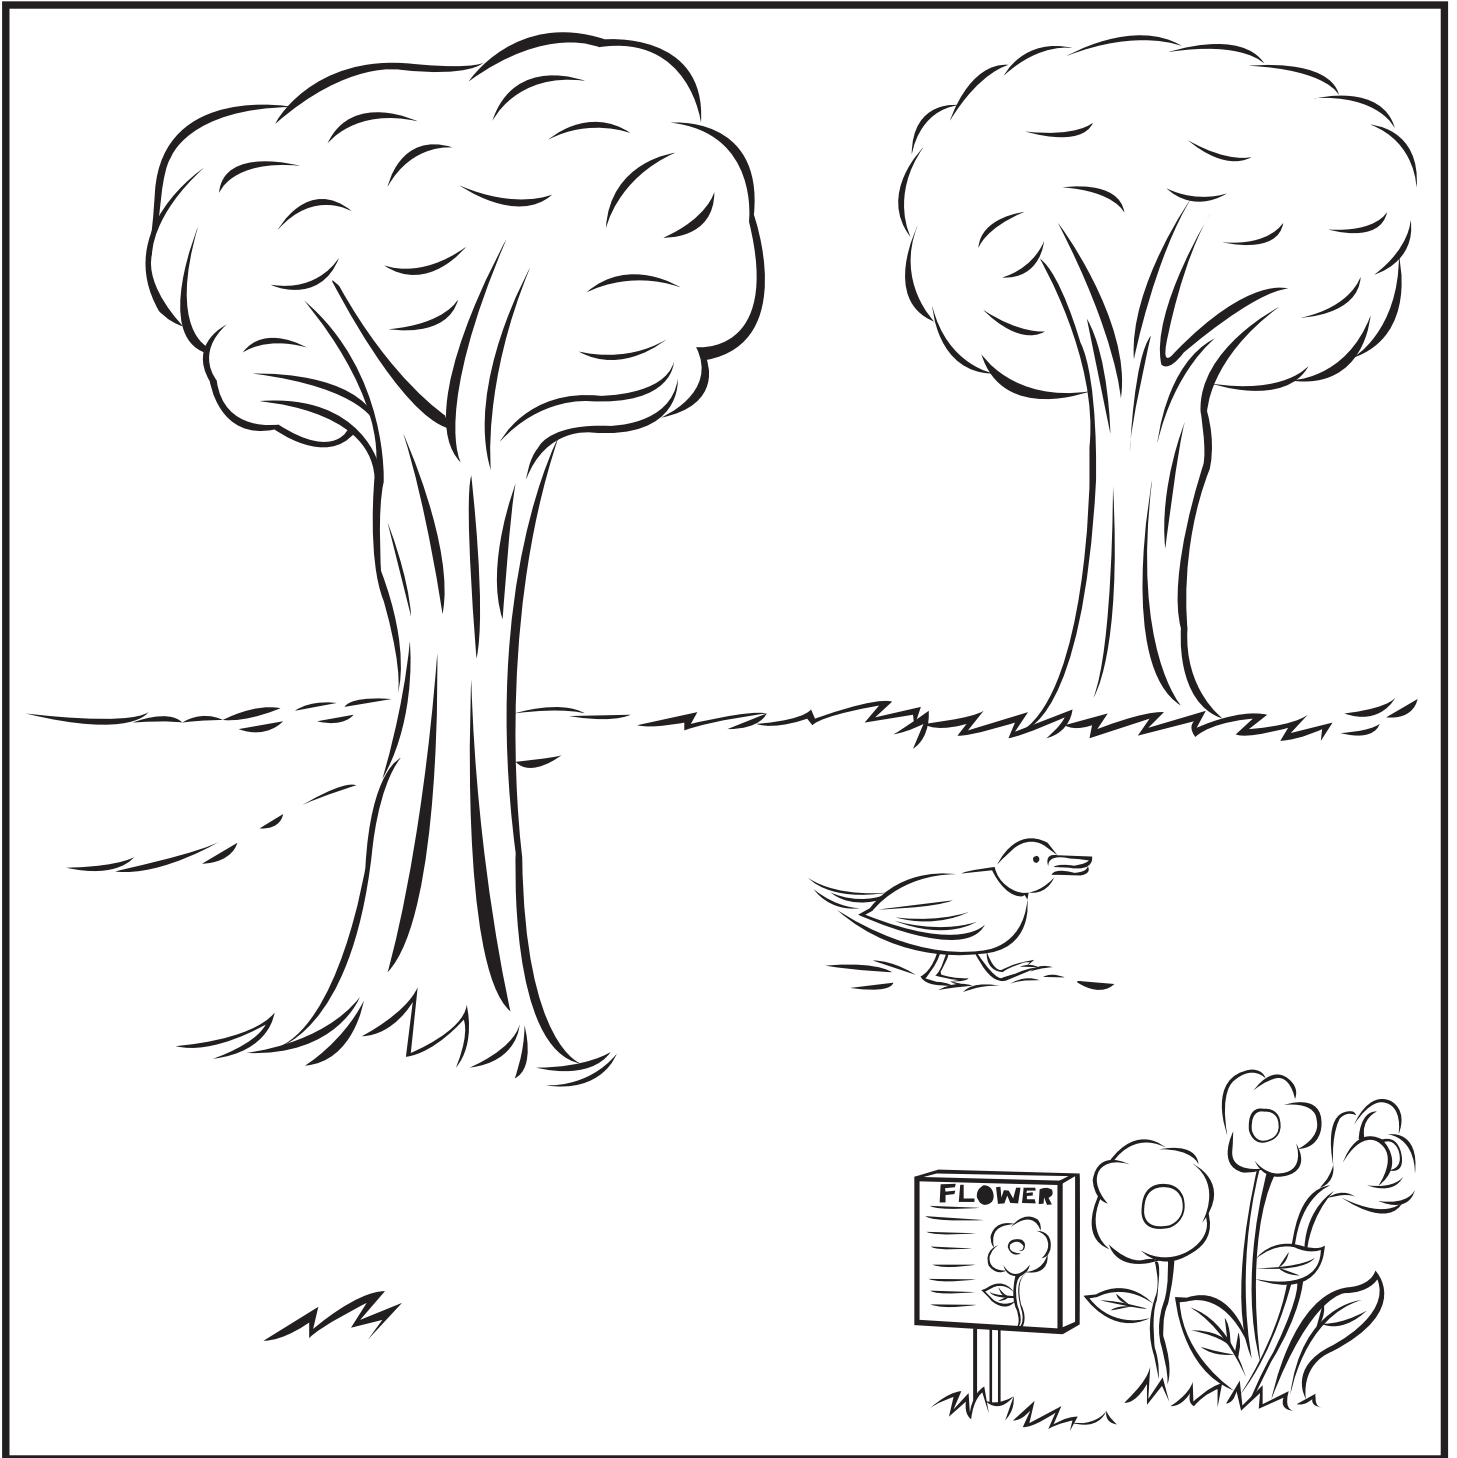

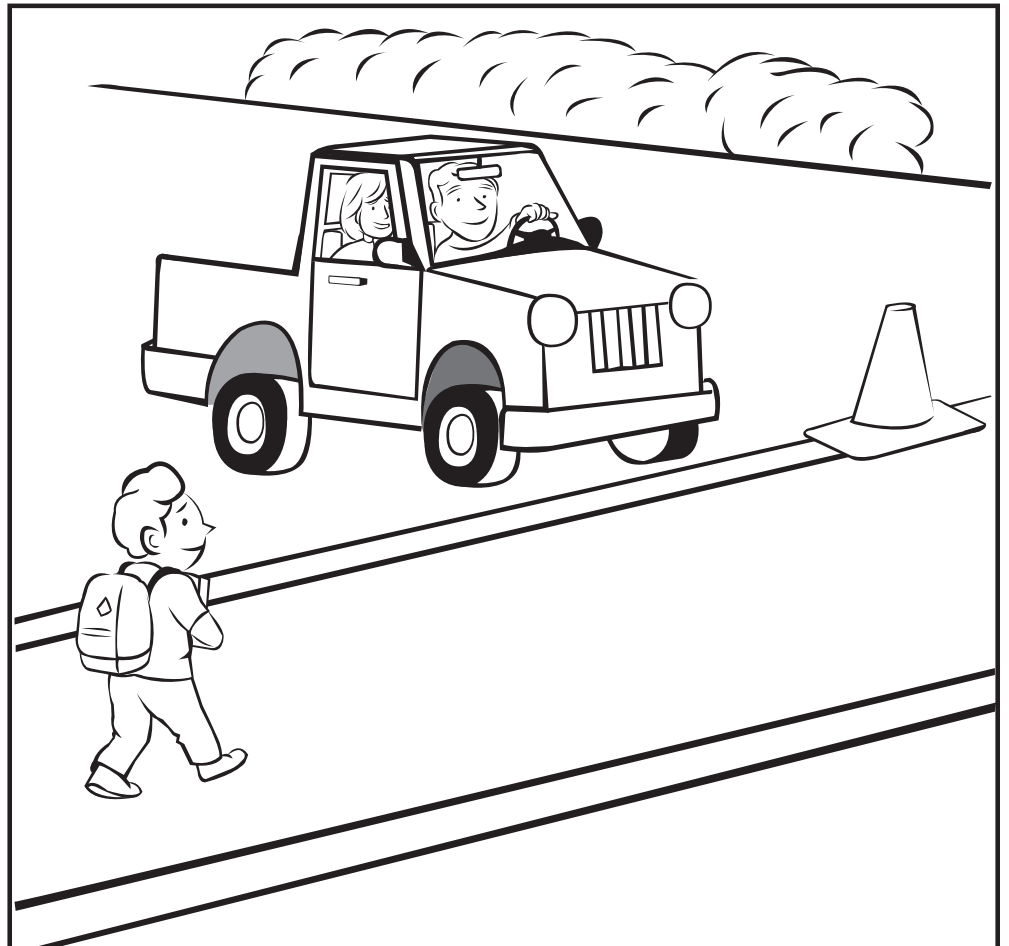

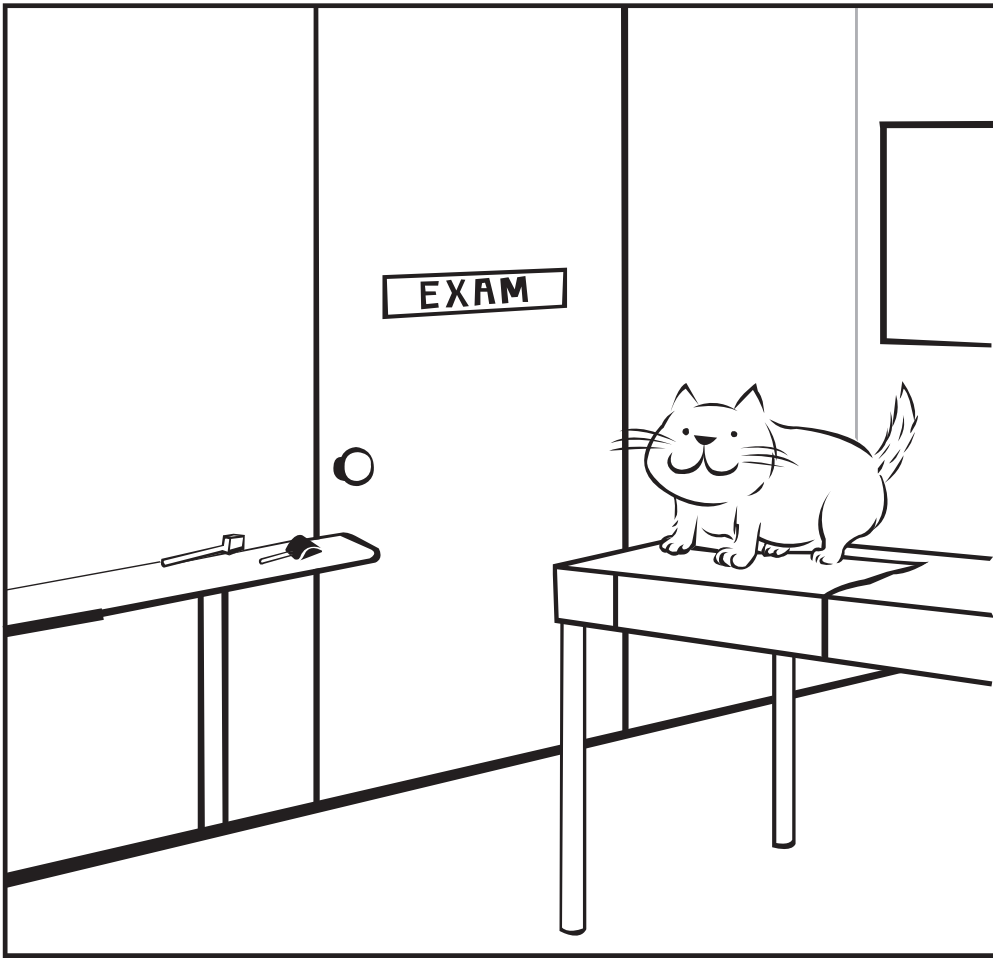

# WHAT DO THE WORKERS NEED?

Do you remember where these workers work? Cut out the people and glue them in the correct work place. Then you can color the pictures.
