

FRIEND OR NOT

DRAW A LINE TO THE PERSON YOU THINK THE SENTENCE IS DESCRIBING!

FRIEND

Talks about me behind my back

Listens to me when I'm talking

Helps me when I need it

Says nice things about me all the time

Shares with me

Cheats whenever we play games

Makes fun of the way I look

Stands up for me

Never wants to hang out with me

Yells at me when I mess up

Is kind and respectful to me

Helps me feel better when I'm sad or mad

NOT
