

# Know Your Safety Rules

**Directions:** Complete each question, fill in the blanks, and read each situation to choose the best and safest choice.

## 1. Who are you?

It's important to know your full name and phone number in case you ever get lost or need help.

\_\_\_\_\_

Full Name

\_\_\_\_\_

Phone Number

## 2. What would you do?

Your friends are going in the swimming pool. They did not ask and there are not any adults. What would you do? Circle the best choice.

Go swimming

Tell my parents

Watch my friends

## 3. It's an emergency!

If there is an emergency, stay calm and try to explain the problem to an adult. If there are no adults, what should you? Circle the best choice.

Be scared

Call 911

Don't do anything

## 4. What is the first thing you should do when you get in the car?

Color in the box that tells the first thing you should do when you get in the car.

Roll down the window

Turn on the radio

Buckle your seatbelt

## 5. What if something bad or scary happens to you?

Should you tell your parents when something bad or scary happens to you? Color in the box that tells what you should do when something bad or scary happens to you.

Tell my parents

Don't tell anyone

Keep it a secret
