

3D Shape Scavenger Hunt Activity

Directions: Find two real-world examples for each shape from your classroom, school, or home. How many faces, vertices, and edges does each shape have?

3D Shape	Real-World Example #1	Real-World Example #2	Attributes (What does it look like?)
<p>cube</p>			<p>_____ faces</p> <p>_____ vertices</p> <p>_____ edges</p>
<p>cone</p>			<p>_____ face</p> <p>_____ vertex</p> <p>_____ edge</p>
<p>square-based prism</p>			<p>_____ faces</p> <p>_____ vertices</p> <p>_____ edges</p>
<p>rectangular prism</p>			<p>_____ faces</p> <p>_____ vertices</p> <p>_____ edges</p>
